5-29th-40

MR, MANLEY

Dear SIR

Thanks for the courtesy you extended me in answering my letter of the 16th- and in answer to your letter Of to day 29th--- in which you inquire as to terms and guarantee,s- Suppose I put it this way MR. Manley-to begin with I am not just one of those fly by night booking agents I am here to stay,and I know this semi.pro base ball racket from AtoZ I also know you have a payroll to meet and I also know that you get tops in base ball for your attraction Ialso know enough Not to let my bookings interfere with any of your M.B.A. bookings I know the set up of the MAX ROSNER - NAT STRONG-*BILL LEUSCHNER SET up so you will get no worries from that set up on my account I do not send your club to any old ball park I pick only parks that I know is worth while,in fact only parks that Iplayed before and only parks that I knowa are money parks - FOR instance I just Booked LOU MURPHY,S HOUSEofDAVID ---17 night games since the 7th of MAY but unfortuneatly most of these games were rained out BUT I am re-booking the HofD right back And this will give me financial facts on all these parks , Then I will be in a real position to offer you the best spots

and also give you an idea of just about what you can earn in each individual park

BUT the main object of this letter is will you book any games I get get you if the price is right and will you give me an idea of what your minimum flat with option might be --also what your minimum flat guarantee is for one night game -also for one SUNDAY game also sunday doubleheaders --of course you understand I am out to get you all I can get per. game, ~~ie~~ So I will not hold you to any price I only want approximate price so I will have something to work on

I will try to follow up on every spot that I already have the HofD Playing Especially the money spots - BUT before booking the EAGLES Into any park I will first consult you MR, MANLEY

HOW ever I must have your minimum and build up from there let me hear from you at once as I can start placing the eagles right now if we get together -- Which I see no reason why we can,t get together

Yours

POP WINSLOW

P.S. CHARLIE CONNOLLY HAS GIVEN ME FULL CONTROLL OF HIS LIGHTS

AN up to date I have booked them 21 spots
and you know that CHARLIE dont play for peanuts
